Ocean View Villa for Sale in Huatulco, México

Nestled into the side of a hill about 250 yards from the water's edge, the Villa was architecturally designed to be a bed and breakfast, but would also make an excellent vacation home for an extended family or a corporate retreat.

The climate of Huatulco lends itself perfectly for indoor/outdoor living and with this in mind, the Villa offers approximately 7000 sq. feet of construction, including nine bedrooms, all with attached bathrooms, spacious palapa-shaded terrazas and spectacular ocean views.

The Villa has operated as a B&B since January 2001, attracting academics, artists, musicians, professionals and leaders of industry from around the world.
